

WYHA Angling Drills

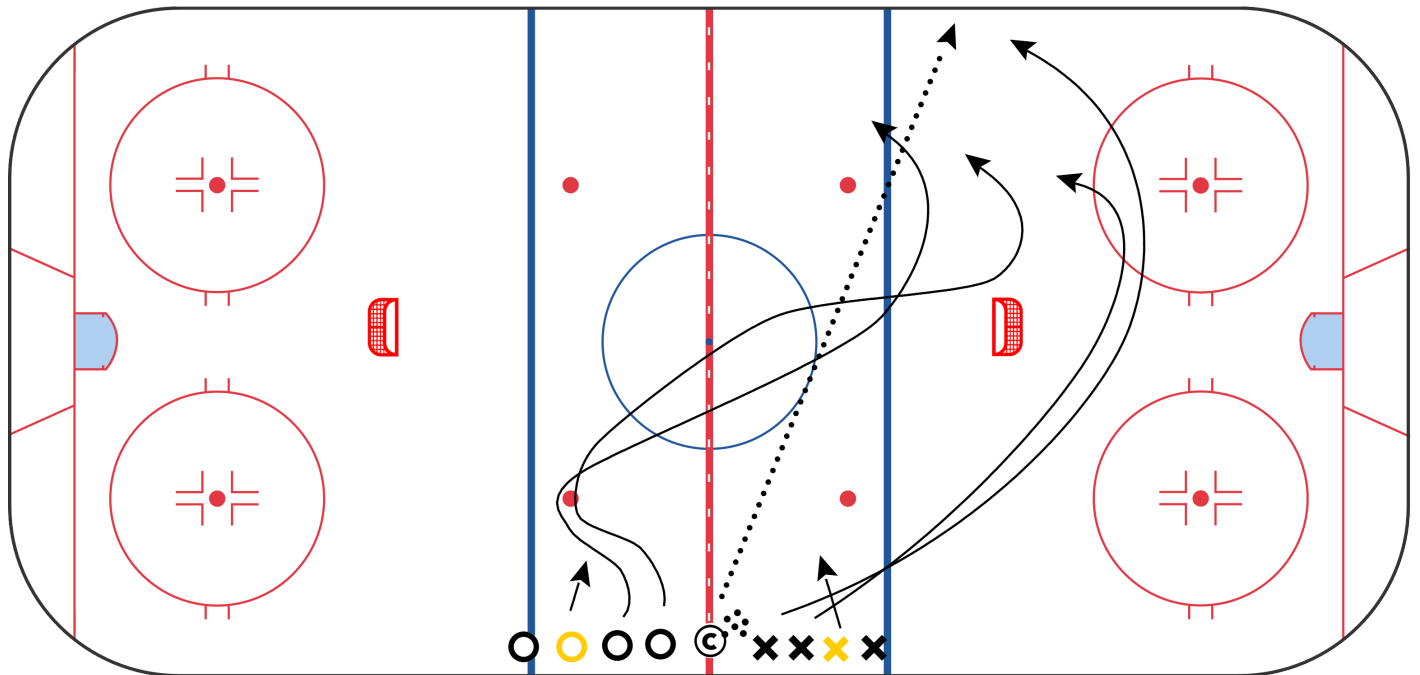

Date: Oct 21 2025

Time: 7:22 pm

Duration: 60 mins

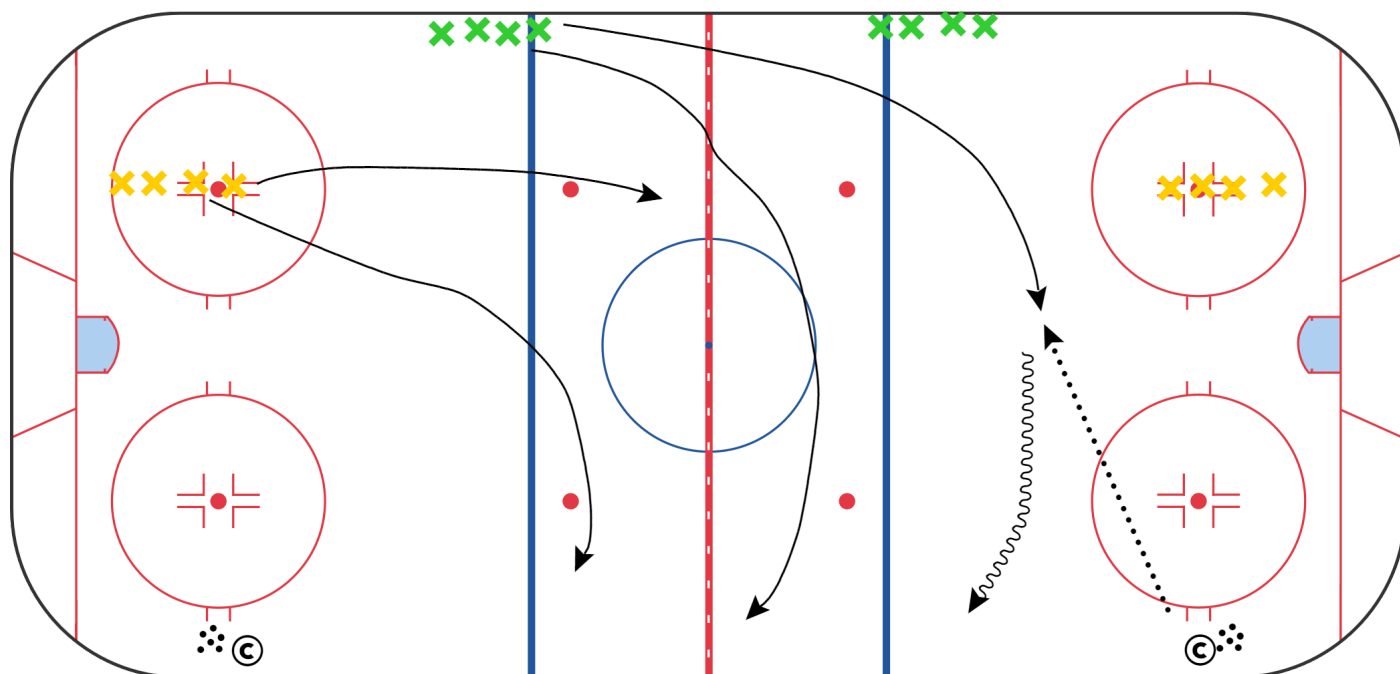

2v2 angle activation game

10 mins

Description

Alternate direction each rep. Players on D have to skate over the near NZ dot and then set their angles. If offense carries puck over the red line, they get to add a player for 3v2. If defense creates a turnover before red line, they get to add a player for a 3v2 in their favor.

Description

2v2 Angling Drill.

Offensive players line up on the blue line on both sides (both bench side)

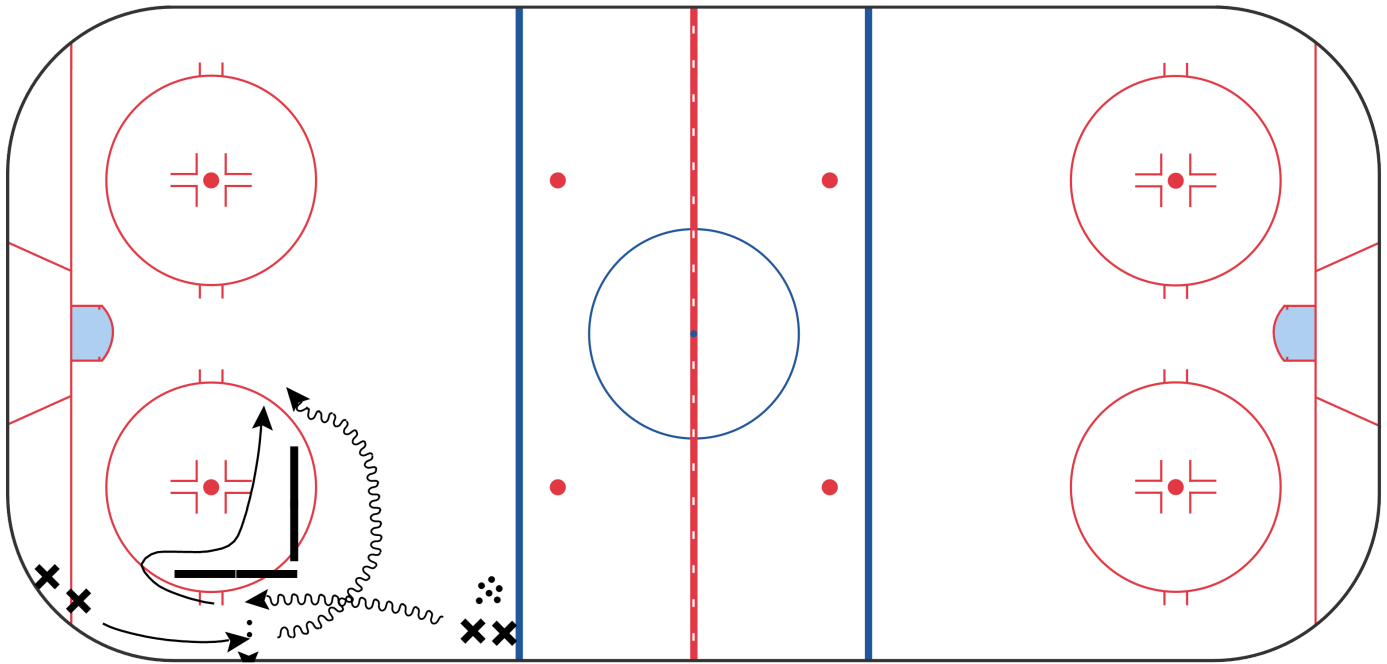

Defensive players line up on the faceoff dot in zone (bench side)

On whistle, 2 players from Green swing down wherever they want and get open for a pass from coach on opposite side.

Defensive players have to gap up and skate forward the whole time (angling)

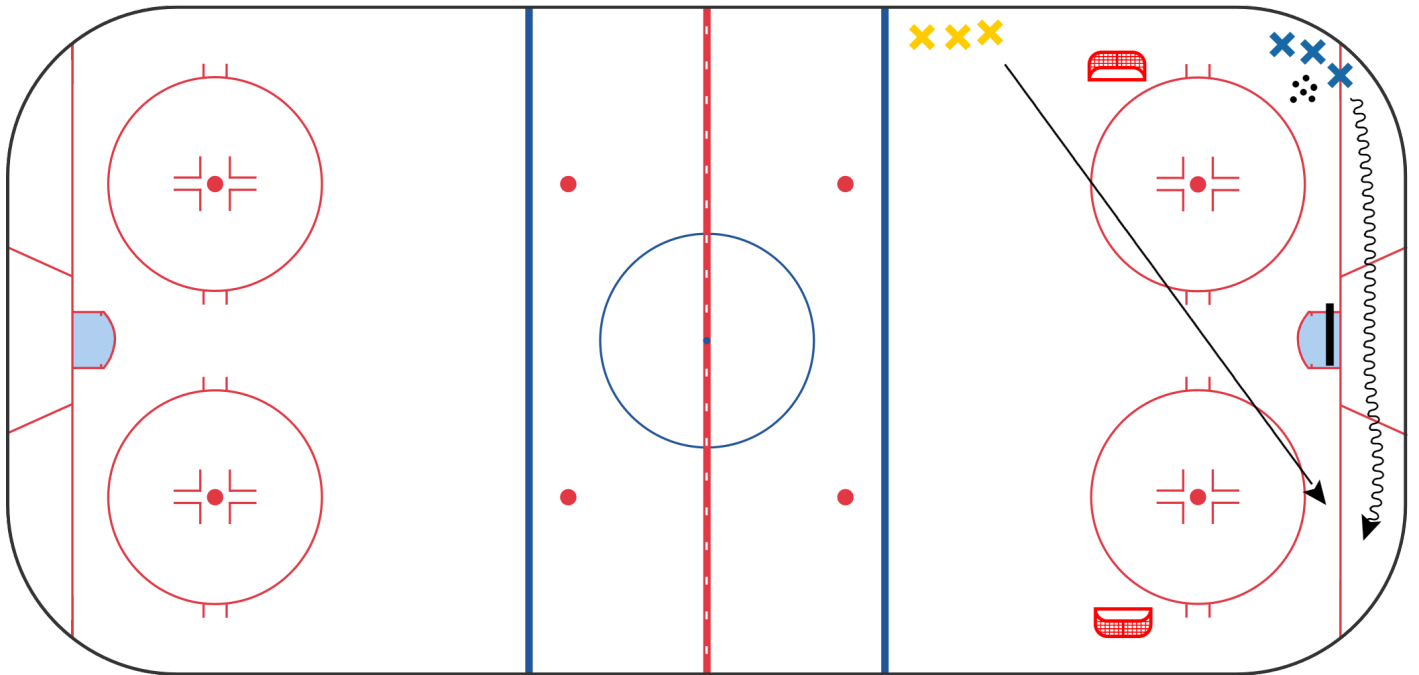

Then, 2 on 2 rush to the net

Next rep, the other side goes.

**Description**

Open ice angling

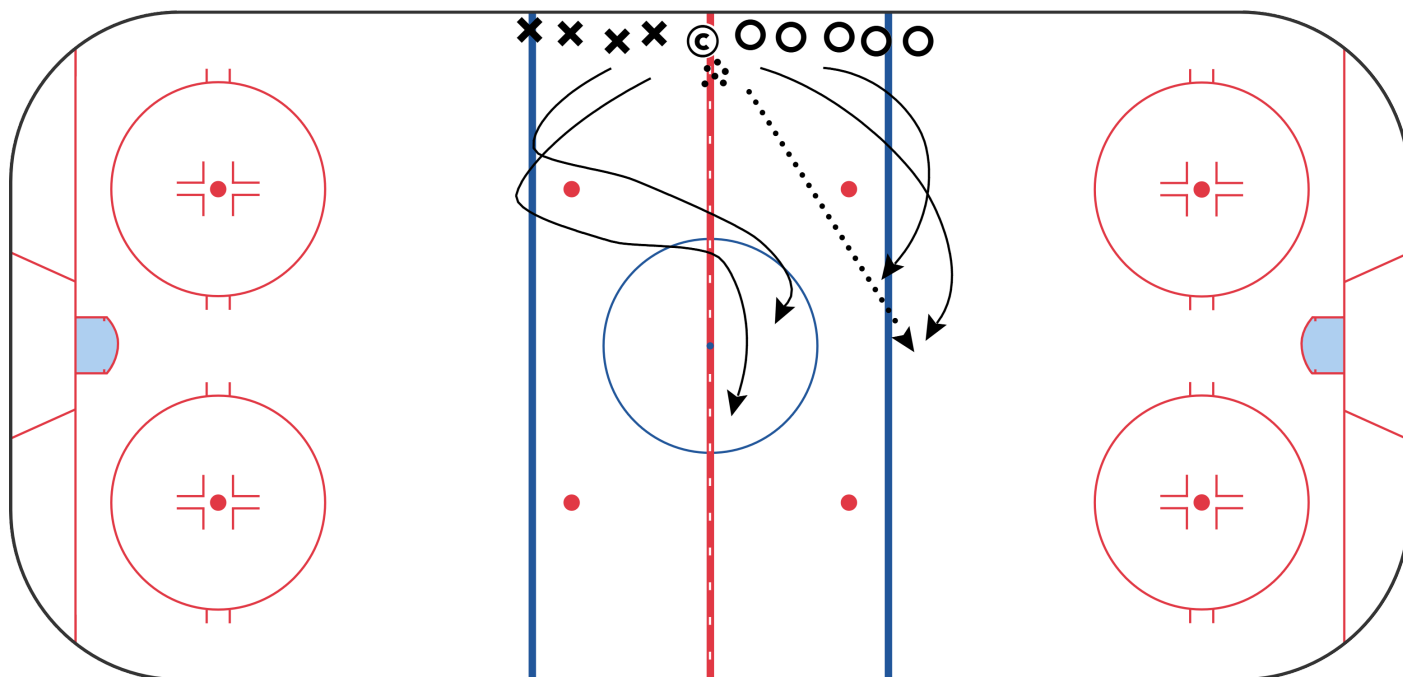

Players on blue line have pucks. On coach's signal, player from blue line carries puck down the boards, drops to the *board side* to player from corner. Player from corner carries puck around top black pad, and other player must gap up and angle to open ice forwards.

**Description**

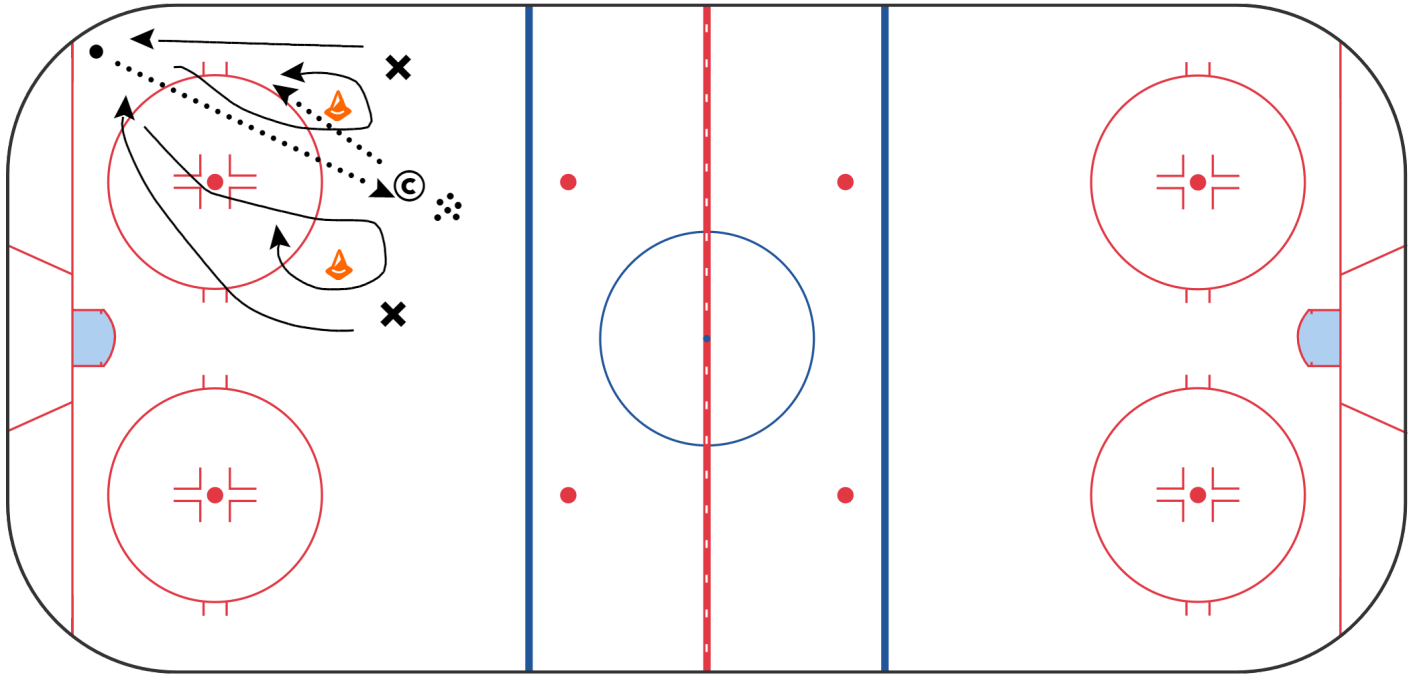

Yellow team trying to angle and score on top net of diagram

Blue team trying to protect puck and score on bottom net of diagram

Adjust lines as needed to create conflict in the corner.

**Description**

Alternate which team is on offense each rep, and thus switching directions. 2 players from each line have to skate below their blue line. Coach passes to the offensive team when they are around middle ice. Other team must gap up and skate forwards to try to angle. 2v2 rush ensues.

**Description**

Players line up behind two cones around the top of the circle.

Coach dumps a puck into the corner and a player from each line battle for possession. Whatever player gains possession and makes a pass back to the coach, will turn towards the boards on the board-side cone.

Coach will give puck back to that player who won initial battle.

Other player must turn around middle cone, towards the middle of the ice and play defense 1v1 to the net.
