

## KNIGHTS 3V2

---

Players line up on opposite sides of the red line with 2 defensive players from each side on their blue line.

A Coach will dump a puck cross ice in the neutral zone. The first 2 attacking players race to retrieve the puck.

The first attacking player to gain possession and complete a pass back to their D goes on offense and attacks the zone 3v2.

The attacking player that loses the race for the puck returns to the end of the line.
