

# Coaches Corner Keep Away

---

## Description

Game can be played 2v2, 3v2, or even 4v4 in the zone.

Remove the net from the zone to create more space.

This is a keep away game where the goal is to regroup with a coach in one corner of the zone, then regroup with the coach in the opposite corner. Keep regrouping with opposite corners and never lose possession.

When there is a turnover, the opposing team can start their regroup with either coach.

**\*\*Modification\*\*** - require players to make at least one pass to a teammate BEFORE regroup with the other coach.
