

Corner Battle Screen Game - Coach Barry

Corner Battle Screen Game develops puck recovery, net front presence, and scoring under pressure. Set net 8 metres from corner with goalie and crease marked. Place one screen player in front. Coach spots puck for 1v1 corner battle. Player who recovers must shoot using screen to hide release. Screen player manages positioning and stick availability. Reinforces puck protection, recovery to attack transition, and scoring through traffic. Goalies track puck from corner, manage depth, and locate puck through screen. Builds scoring timing, deception, and goalie tracking under visual pressure.
