DESCRIPTION:

In this game two teams start on opposite benches. The coach calls out even player situations such as 5-vs-5, 4-vs-4, 3-vs-3, 2-vs-2, 1-vs-1 in random order. Players jump over the boards and play from the location of the puck. No face offs are required. A variation is to call for odd man situations.

KEYPOINTS:

This game really gets players thinking and working on knowing how many they are competing against. Both offensive and defensive principles can be cued. Discuss creative options and remember to always reward innovation. Add rules to create more variations and skill emphasis.
